

# SIX STEPS TO PERFECT HAIRCOLOR

---

- 01** What is the client's color objective?
- 02** What is the client's natural haircolor level?
- 03** What is the client's cosmetic color level?
- 04** What is the client's grey hair percentage?
- 05** Does the color objective require lifting, tone-on-tone, or darkening?
- 06** What is the contributing pigment foundation?

For more in-depth information, go to [colorgeekchic.com](http://colorgeekchic.com) and search for "perfect haircolor."
