

for the Stylist

CONSULTATION HELPS

- 01** Do I understand the client's expectations for this appointment?
- 02** Have we discussed the current state of the client's haircolor, hair health, and texture?
- 03** Did I repeat back the expectations for this appointment, to make sure we are both clear and are understanding each other?
- 04** Does the client have a specific budget for this service?
- 05** Have I verified how much time the client has allocated for the appointment?
- 06** Does the client understand what products will be used for the aftercare and how to do it?
- 07** Is the client willing to commit to this service (maintenance, styling, etc.)?
